ROBB REPORT MALAYSIA

Robb Report Malaysia is the industry's leading luxury lifestyle publication.

An indispensable and intelligent resource, we connect with HNWIs with experiences and accoutrements to cultivate and elevate their appreciation of the finest things in life.

Our readers are thinkers, innovators, early adopters and astute connoisseurs of luxury who believe in living their best lives. They desire to be ahead of the curve and we help them take their journeys a step further.

Robb Report Malaysia inspires our readers with the planet's most exclusive products and experiences. We engage accomplished personalities and visionaries who embody change and define success. We pursue beauty and regality beyond the surface.

Because true luxury isn't just about enjoying the world's most expensive things, but uncovering richness in exceptional experiences.

ROBB REPORT ORIGINS

Robb Report first hit newsstands in 1976. Originally devoted to advertisements for new and vintage Rolls-Royces and distributed at the affluent neighbourhoods of California's Bel Air and Beverly Hills, the brand evolved over the course of four decades to eventually become the single most influential journal of living life to the fullest, with over 20 international editions across the globe and growing. For all of the changes that have taken place in the years since *Robb Report* first hit newsstands, the standards of exceptional quality, beauty, and precision have remained as constant in the hearts and minds of true connoisseurs, as they have in the pages of the magazine .

Lamborghini Celebrates Its 60th Anniversary In The Southeast Asian Region With A Lamborghini Esperienza Giro

Robb Report Editorial
23 December, 2023

The inaugural Southeast Asian edition of the Lamborghini Esperienza Giro, celebrated the marque's 60th anniversary with a convoy of more than 40 super sports cars and super SUVs badged by the raging Bull. Lamborghini owners from Malaysia, Singapore and Thailand converged in Penang for the start of the journey, with a welcome lunch at the beautifully restored Cheong Fatt Tze mansion. From here, the Lamborghinis made their way along the island's curvaceous northern strip towards Shangri-La Rasa Sayang, Penang. Soon enough, in the golden glow of the setting sun, the owners were greeted by a garden cocktail party, before being ushered into a dining canopy. Inside, they were greeted by a resplendent menu by chef Sa Kim Hock of one-Michelin-starred Au Jardin.

Interconnected TRX Residences Is A Futuristic World City In Kuala Lumpur

Robb Report Editorial
06 April, 2021

Financial districts are clear: the likes of London's Canary Wharf, Hong Kong's Central and Marina Bay in Singapore represent hubs which attract multibillion-dollar investment, signalling the city's importance to the national economy as well as signalling the city's importance to its workers, meanwhile, contribute to the gentrification of the entire city. In Kuala Lumpur, the rise of swanky residences, restaurants, retail, gyms and entertainment is the sign of a new era. The \$2.5 billion TRX (The Ritz-Carlton Exchange) is Malaysia's first master-planned district by TRX City - the project master developer wholly owned by the name.
